## Chapter 1: Getting Started With PowerPoint

|  |             |
|--|-------------|
| Starting a Presentation .....              | 1-1         |
| Creating the Title Slide.....              | 1-2         |
| Entering the Company Name .....            | 1-2         |
| Formatting Text Using the Format Menu..... | 1-2         |
| Formatting Text Using the Tool Bar .....   | 1-4         |
| Moving the Frame .....                     | 1-6         |
| Entering the Sub-Title Text.....           | 1-6         |
| Adding a Background to the Slide .....     | 1-8         |
| Creating a Second Slide .....              | 1-10        |
| Inserting the New Slide .....              | 1-10        |
| Entering the Title .....                   | 1-11        |
| Entering the Points .....                  | 1-12        |
| Adding a Background .....                  | 1-13        |
| Previewing the Presentation .....          | 1-14        |
| Looking at the Slides .....                | 1-14        |
| Starting the Slide Show .....              | 1-14        |
| Slide Outlines .....                       | 1-16        |
| Other View Buttons.....                    | 1-17        |
| <b>Presentations Assignment 1 .....</b>    | <b>1-18</b> |

## Chapter 2: Using Graphics in Slides

|  |     |
|--|-----|
| Loading the Presentation .....                 | 2-1 |
| Creating the New Slide .....                   | 2-1 |
| Changing the Slide Layout.....                 | 2-2 |
| Entering the Slide Title.....                  | 2-2 |
| Inserting a Clip Art Image.....                | 2-3 |
| Resizing the Image.....                        | 2-4 |
| Adding Text to the Slide.....                  | 2-5 |
| Adding a Design Background .....               | 2-6 |
| Previewing the Presentation .....              | 2-8 |
| Adding Another Image to the Presentation ..... | 2-8 |

|  |             |
|--|-------------|
| Adding Lines to the Slide.....         | 2-9         |
| Line Styles .....                      | 2-10        |
| Line Colours.....                      | 2-10        |
| Three-Dimensional Effects.....         | 2-11        |
| Adding Photos to Slides.....           | 2-12        |
| Selecting the Slide Layout.....        | 2-12        |
| Entering the Title .....               | 2-13        |
| Adding the Text.....                   | 2-14        |
| Adding the Photos.....                 | 2-14        |
| Editing Text .....                     | 2-16        |
| <b>Presentations Assignment 2.....</b> | <b>2-19</b> |

### Chapter 3: Using Transitions

|  |            |
|--|------------|
| Loading the Presentation .....               | 3-1        |
| Applying a Transition to One Slide.....      | 3-1        |
| Slide Sort View .....                        | 3-3        |
| Altering the Order of Slides .....           | 3-3        |
| Applying Transitions to Multiple Slides..... | 3-4        |
| <b>Presentations Assignment 3.....</b>       | <b>3-6</b> |

### Chapter 4: Animation Effects

|                                     |      |
|-------------------------------------|------|
| Loading the Presentation .....      | 4-1  |
| Animating Text .....                | 4-1  |
| Text Entrance.....                  | 4-1  |
| Animating Just One Text Point ..... | 4-4  |
| Animating Words and Letters .....   | 4-6  |
| Changing Animation Effects.....     | 4-7  |
| Removing Effects.....               | 4-9  |
| Animating Images.....               | 4-9  |
| The First Image .....               | 4-9  |
| The Second Image .....              | 4-11 |
| Exit Animations .....               | 4-13 |
| Changing the Animation Order.....   | 4-15 |

|  |             |
|--|-------------|
| Looping Animations.....                | 4-15        |
| Exercise 4-1 .....                     | 4-16        |
| Animation Schemes .....                | 4-17        |
| Adjusting Animation Schemes.....       | 4-18        |
| <b>Presentations Assignment 4.....</b> | <b>4-18</b> |

## Chapter 5: Movie and Diagram Layouts

|  |             |
|--|-------------|
| Loading the Presentation .....         | 5-1         |
| Movie Clip Layouts.....                | 5-1         |
| Selecting the Layout.....              | 5-1         |
| Entering the Slide Title.....          | 5-2         |
| Adding the Text.....                   | 5-3         |
| Inserting the Movie Clip.....          | 5-4         |
| Adding a Movie Clip Message.....       | 5-5         |
| Diagram Layouts.....                   | 5-7         |
| Selecting the Layout.....              | 5-7         |
| Adding the Title.....                  | 5-8         |
| Selecting the Diagram .....            | 5-8         |
| Entering the Chart Labels.....         | 5-9         |
| Adding More Chart Boxes .....          | 5-10        |
| Formatting the Chart Text .....        | 5-12        |
| Changing the Chart Layout .....        | 5-12        |
| Content Layouts.....                   | 5-14        |
| Selecting the Layout.....              | 5-14        |
| Entering the Title .....               | 5-15        |
| Entering the Content.....              | 5-15        |
| <b>Presentations Assignment 5.....</b> | <b>5-16</b> |

## Chapter 6: Action Buttons

|   |             |
|---|-------------|
| Loading the Presentation .....              | 6-1         |
| Navigation Buttons .....                    | 6-1         |
| The Previous Slide Button .....             | 6-1         |
| The Next Slide Button .....                 | 6-3         |
| Buttons that Open Specific Slides .....     | 6-4         |
| The Jungle Safaris Button .....             | 6-4         |
| The Wild River Rides Button.....            | 6-6         |
| The Other Slides.....                       | 6-8         |
| Text Buttons.....                           | 6-8         |
| Button That Play Sounds.....                | 6-10        |
| Buttons That Open Other Presentations ..... | 6-11        |
| Loading the Presentation .....              | 6-11        |
| Adding the Button .....                     | 6-11        |
| Linking the Button .....                    | 6-13        |
| Removing Action Buttons .....               | 6-15        |
| <b>Presentations Assignment 6.....</b>      | <b>6-16</b> |

## Chapter 7: Table Layouts

|  |             |
|--|-------------|
| Loading the Presentation .....         | 7-1         |
| Selecting the Layout.....              | 7-1         |
| Entering the Slide Title.....          | 7-2         |
| Adding the Table.....                  | 7-2         |
| Entering the Table Items .....         | 7-3         |
| Formatting the Text .....              | 7-3         |
| Column Widths.....                     | 7-4         |
| Deleting Rows.....                     | 7-5         |
| Removing Cells.....                    | 7-7         |
| Adding Cells to the Table.....         | 7-8         |
| Borders and Shading.....               | 7-9         |
| Exercise 7-1 .....                     | 7-11        |
| <b>Presentations Assignment 7.....</b> | <b>7-12</b> |

## Chapter 8: Chart Layouts

|   |             |
|---|-------------|
| Loading the Presentation .....                  | 8-1         |
| Selecting the Layout.....                       | 8-1         |
| Entering the Slide Title.....                   | 8-2         |
| Inserting the Chart.....                        | 8-2         |
| Entering the Chart Values.....                  | 8-3         |
| Changing the Appearance of the Columns .....    | 8-4         |
| Changing the Appearance of the Axes.....        | 8-6         |
| Changing the Appearance of the Chart Walls..... | 8-7         |
| Other Chart Types.....                          | 8-8         |
| Animating Charts .....                          | 8-9         |
| <b>Presentations Assignment 8.....</b>          | <b>8-12</b> |

## Chapter 9: Delivering Presentations

|  |             |
|--|-------------|
| Loading the Presentation .....               | 9-1         |
| Screen Tools.....                            | 9-1         |
| Identifying the Screen Tools .....           | 9-2         |
| Using the Pen Tools.....                     | 9-2         |
| The Eraser Tool.....                         | 9-4         |
| The Arrow Options.....                       | 9-5         |
| Speaker Notes.....                           | 9-7         |
| Using the Notes Page View .....              | 9-7         |
| Using the Notes Master View .....            | 9-8         |
| Entering the Speaker Notes.....              | 9-10        |
| Printing Speaker Notes.....                  | 9-11        |
| Handout Notes .....                          | 9-13        |
| Sending Slide Text to a Word Processor ..... | 9-15        |
| <b>Presentations Assignment 9.....</b>       | <b>9-16</b> |

## Chapter 10: Self-Running Shows

|   |             |
|---|-------------|
| Loading the Presentation .....          | 10-1        |
| Setting the PowerPoint Show .....       | 10-1        |
| Rehearsing the Timings.....             | 10-1        |
| Looking at the Timings.....             | 10-3        |
| Making the Slide Show Continuous .....  | 10-3        |
| Hiding a Slide .....                    | 10-4        |
| Adding a Narrative .....                | 10-4        |
| Saving The Presentation as a Show.....  | 10-5        |
| Custom Shows.....                       | 10-6        |
| <b>Presentations Assignment 10.....</b> | <b>10-7</b> |

## Chapter 11: Text Formatting

|  |              |
|--|--------------|
| Loading the Presentation .....             | 11-1         |
| Setting the Tool Bars on Two Rows .....    | 11-1         |
| Creating Sub-Points.....                   | 11-2         |
| Entering the Text.....                     | 11-2         |
| The Outlining Tools.....                   | 11-3         |
| Setting the Sub-Points.....                | 11-3         |
| Bullet Formats.....                        | 11-4         |
| Custom Bullets.....                        | 11-6         |
| Turning Bullets Off .....                  | 11-7         |
| Looking at the Points in Outline View..... | 11-8         |
| Paragraph Spacing .....                    | 11-10        |
| Whole Text Frame .....                     | 11-10        |
| Individual Lines .....                     | 11-11        |
| Bullet Spacing .....                       | 11-12        |
| Spell Checking.....                        | 11-13        |
| The Format Painter Tool .....              | 11-14        |
| <b>Presentations Assignment 11.....</b>    | <b>11-14</b> |

## Chapter 12: Slide Masters

|   |              |
|---|--------------|
| Loading the Presentation .....          | 12-1         |
| Looking at the Slide Master View.....   | 12-1         |
| Modifying Slide Masters.....            | 12-3         |
| The Title Text.....                     | 12-3         |
| Text Frames.....                        | 12-4         |
| Adding Objects to Slide Masters.....    | 12-6         |
| Footer Items .....                      | 12-8         |
| Apply Slide Masters to Slides .....     | 12-10        |
| Removing Previous Backgrounds.....      | 12-13        |
| Exercise 12-1.....                      | 12-13        |
| Exercise 12-2.....                      | 12-14        |
| <b>Presentations Assignment 12.....</b> | <b>12-14</b> |

## Chapter 13: Publishing as a Web Page

|   |             |
|---|-------------|
| Loading the Presentation .....          | 13-1        |
| Setting the Location .....              | 13-1        |
| Publish What .....                      | 13-2        |
| Web Options.....                        | 13-2        |
| General .....                           | 13-2        |
| Browsers.....                           | 13-3        |
| Files .....                             | 13-3        |
| Pictures .....                          | 13-3        |
| Encoding.....                           | 13-4        |
| Fonts .....                             | 13-4        |
| Final Settings.....                     | 13-5        |
| Looking at the Web Page.....            | 13-5        |
| <b>Presentations Assignment 13.....</b> | <b>13-6</b> |

## Chapter 14: Useful Tools

|                                   |      |
|-----------------------------------|------|
| Loading the Presentation .....    | 14-1 |
| Help Features .....               | 14-1 |
| Summary Slides.....               | 14-3 |
| Style Checking.....               | 14-5 |
| Using the AutoContent Wizard..... | 14-8 |
